

4th March 2025

Dear Parents and carers,

We hope you had a restful break and that the children are feeling refreshed and ready for another exciting term in Key Stage 2. It has been wonderful to see them return with enthusiasm and a positive attitude towards their learning.

Last term, we were incredibly impressed with the children’s dedication to their homework and the way they have continued to develop their independence and organisation skills. Their hard work is paying off, and we are excited to see them continue making great progress this term.

Alongside our lessons and ongoing SATs preparation, we have plenty to look forward to in the coming weeks, please see the dates below.

As always, to support your child’s learning, please ensure they bring their **CGP books, planner, and any additional homework to school every day**. Although they may not have homework due that day it is good practice to get into bringing their books with them, in preparation for starting secondary school.

This term, PE will continue to take place on **Thursdays (outdoor)** and **Fridays (indoor)**. On these days, children should come to school wearing their PE kit.

Spring term for English and Maths includes the following:
